

## ORPHANS

All orphans should have a very layered look. Try finding oversized dresses, jumpers and cardigans. Long johns and tights are also part of this look. COLOR IS KEY to the orphan group. **NO BRIGHT OR PASTEL COLORS AT ALL.** Look for dusty rose, burgundy, navy, denim, dark florals, gray, tan, and brown. Keep in mind a “Little House on the Prairie” look only a wee bit shorter and dingier. SHOES can be same as worn in *Yes, Virginia* (if booties) or work boots.

## RESOURCES

Goodwill, Salvation Army & thrift stores are the way to go!

Etsy.com has several vendors specializing in Orphan costumes, but they are pricey.
