Happy Day!!, This is a free design that I gave away long ago in 2008,  
I have revised it to give away today.

The original was made to give to a friend as a Christmas Gift  
but I have changed the saying in the back to  
“When This You See Remember Me”

There is a place in the back of this floss tag for you to stitch your initials, along with more small roses, hearts, and the saying.  
I did make mine into a floss tag but you can do whatever you would like with it!!

*BE Creative*

**The center for the roses and leaves is left blank for you to choose your own floss centers.**

The outline for these areas is in the design but the **centers are up to you.**

I used some over-dyed floss and some different stitches such as eyelets and some over one stitching.

**The stitch count is 49 wide by 35 high**

**28ct over (2) or 14ct Aida      3.5 x 2.5**

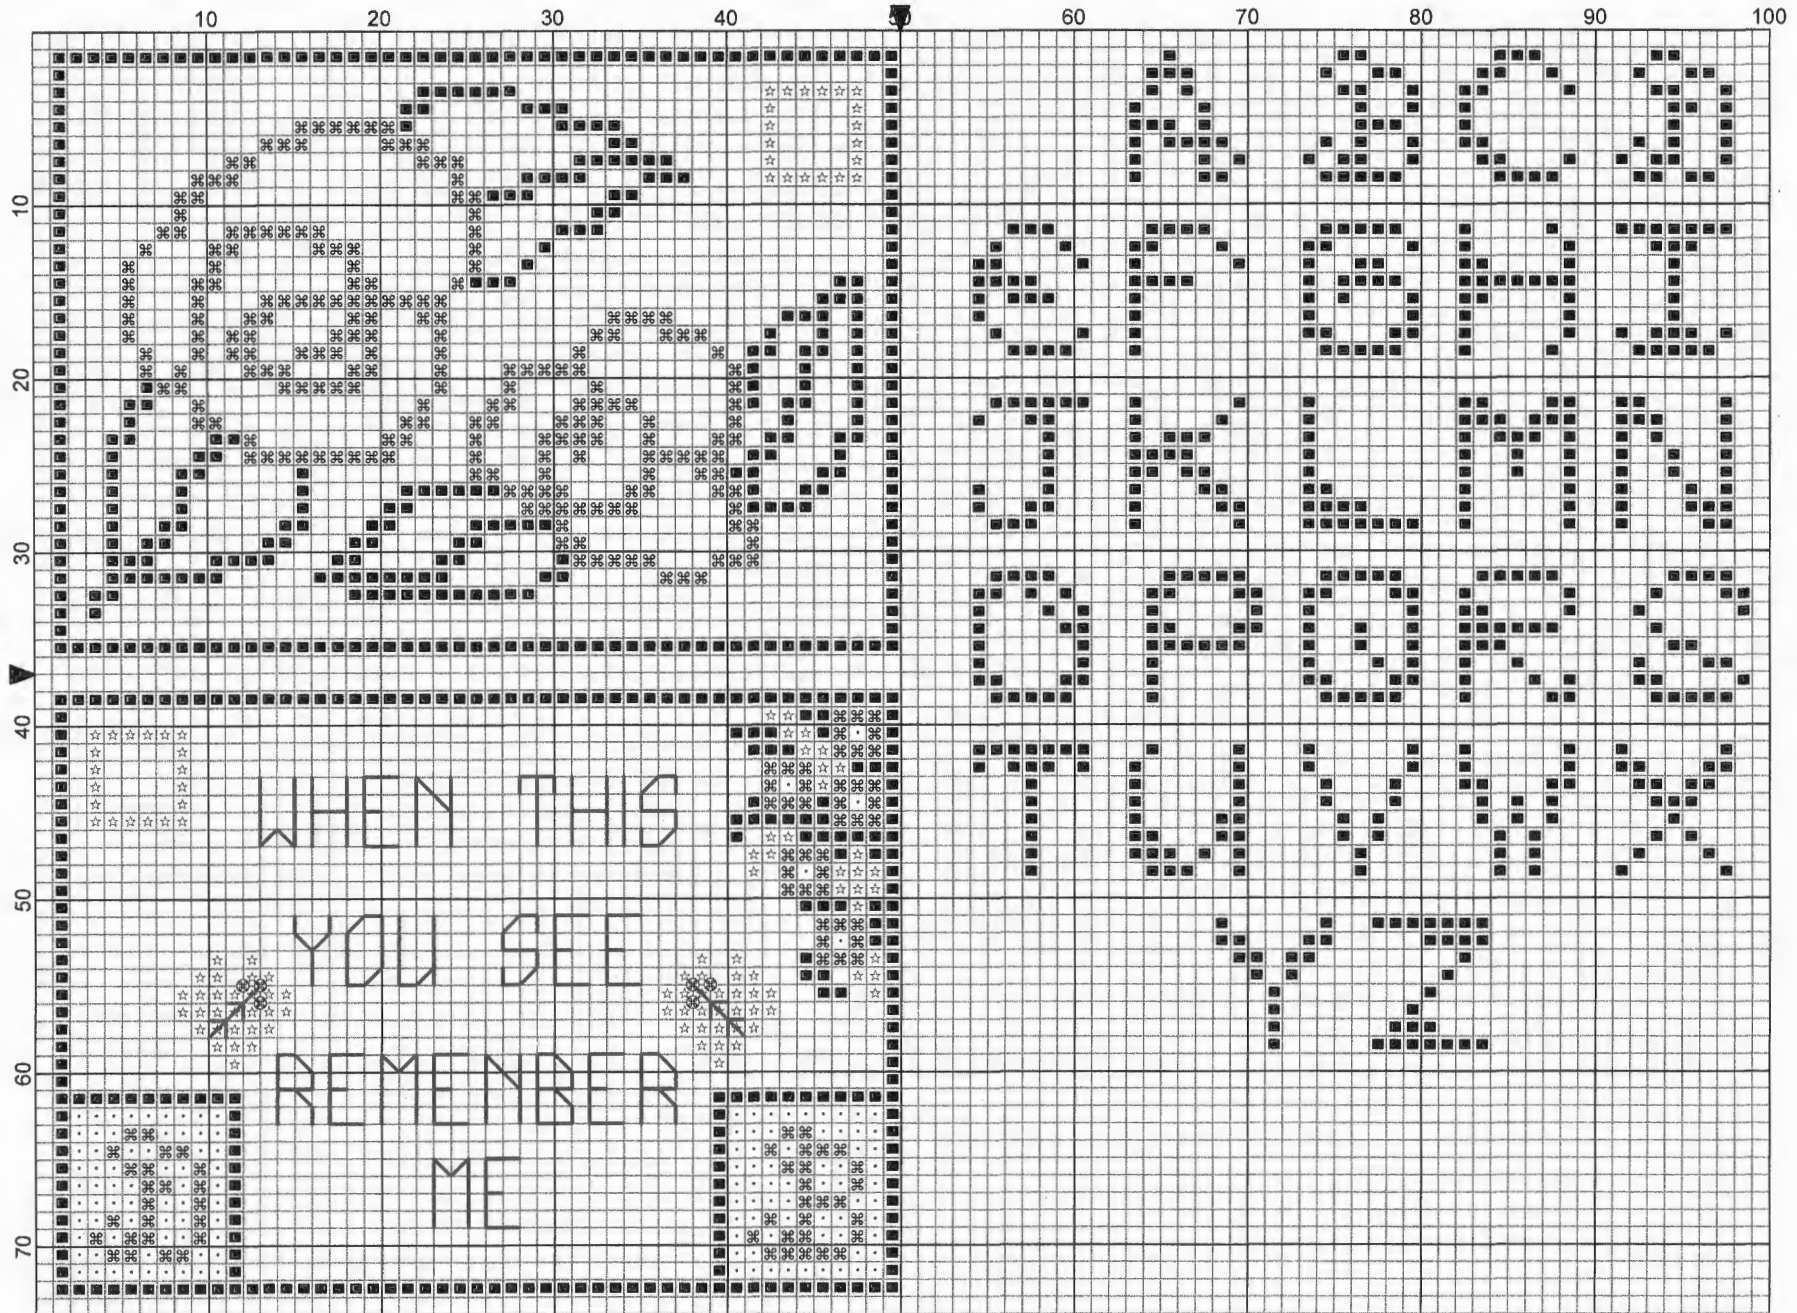

**32ct over (2) or 16ct Aida      3 x 2.18**

The Dove Pin was from my Dad, He used to wear it on his Coat!! ♥ Part of my Pin Collection

We happy CREATING!!

Blessing and Hugs
