

STOP RECEDING GUMS & GET BACK YOUR AMAZING SMILE

*Use Dental Pro7™ two times a day
& Stop receding gums Without
Going to the Dentist!!*

Dental Pro 7 is naturally produced from 100 % pure essential oils with potent anti-bacterial and anti-fungal properties. Since it is oil-based, it efficiently works its way deep under the gum line to wipe out all the harmful bacteria. Given that you keep using Dental Pro 7™ daily, the bacteria is restricted, and your gums can recover themselves naturally over time - just like a finger cut that develops new skin when kept free from germs.
