players to celebrate
another successful
season of kickball!**

**Remember the
beer may be free, but the service isn't.
Make sure to take care of our awesome bar
staff.**

FALL 2013

PLAYOFFS

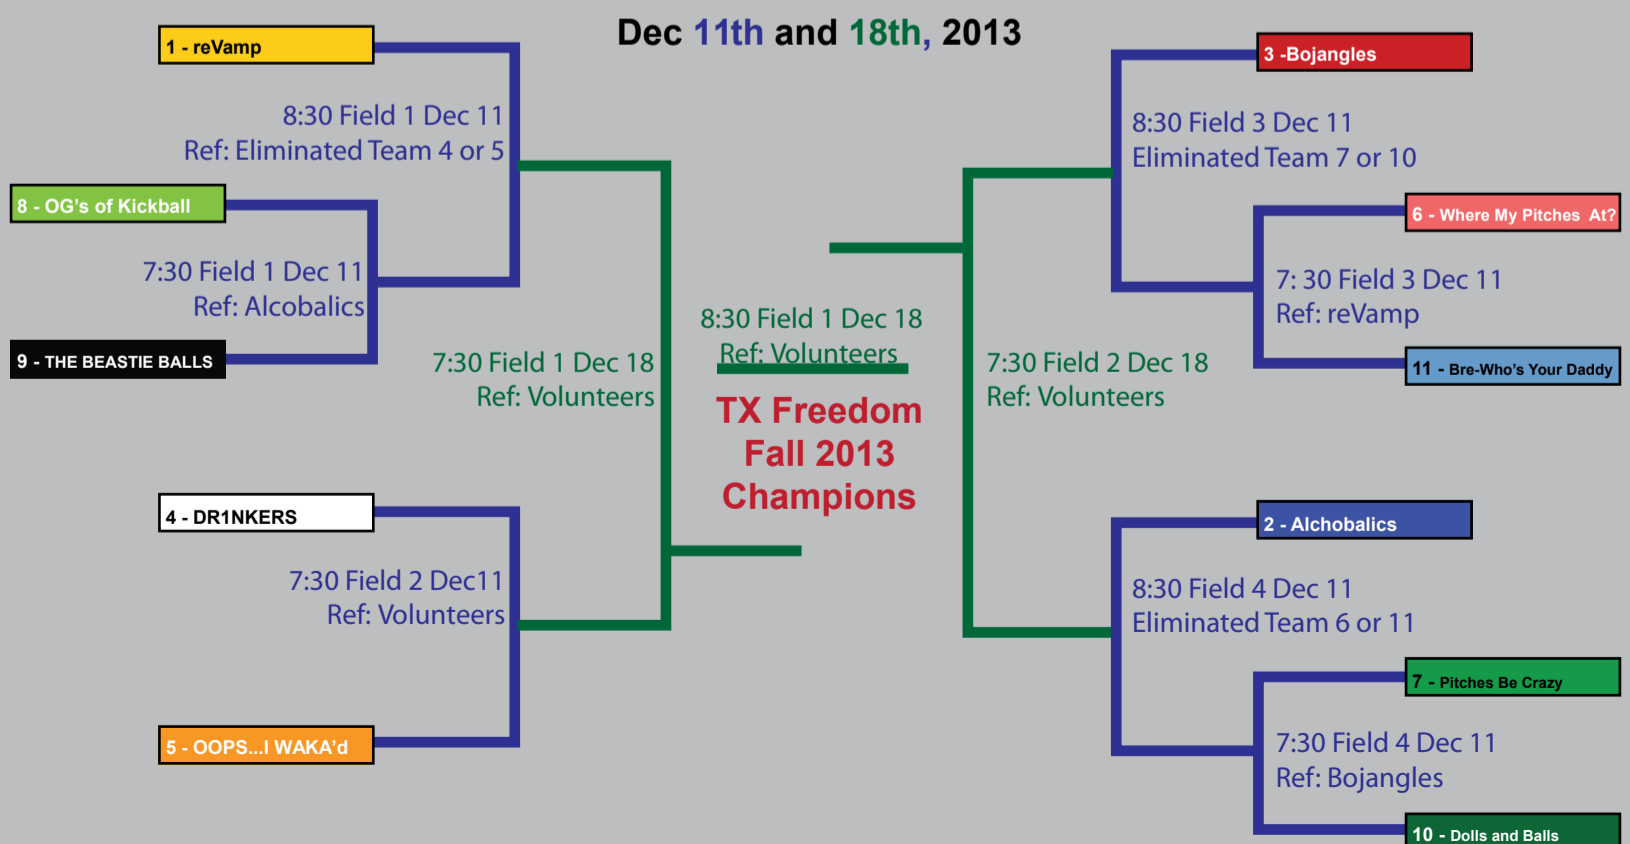

Things to keep in mind for Playoffs

- **Absolutely no substitutions allowed during play-offs, you must play with the team you signed up with.**
- **Playoff have slightly different rules with regards to time since every game must have a winner and no ties. [Click here to see the Playoff Rules](#)**
- **Only Captains and Co-captains may discuss calls with the referees. If you are **NOT** a captain or co-captain, when a call is being discussed, go to your dugout, sit down, shup up and wait for your captains and refs to reach a decision. Your assistance with the call is not wanted or required. If you choose to involve yourself, you will recieve one warning, on the second offense you will be asked to leave the fields. If you do not leave, the police will be happy to escort you.**

Playoffs will take place over the course of two days, Dec 11th and Dec 18th. Please pay attention to the bracket as we have different start times and fields. Remember to show up early to get settled into your dug out and to transfer between games quickly. With your help we can have a smooth running playoff.

WAKA TX Freedom Fall 2013 Playoff Bracket

DOG OF THE WEEK

Name: Delilah

**Breed: American Cocker
Spaniel**

Age: 7 in January

Owner: Sarah Beth

Team: of the OG's of Kickball

Delilah is a second generation kickballer and daughter of former commissioner MVA and wife SBVA. Since she was rescued from an illegal, ass-backwards puppy mill in deep East Texas, she can be a bit skittish around new folk, delivery men,

and yippy critters like chihuahuas. When she was rescued at four months, she was flea-ridden and malnourished. D is fiercely loyal to her hippopotamus stuffed animal, and her mom buys her a new one each year on her birthday--which means there are six floating around here somewhere. She enjoys walking the spine of the couch like a cat, puppy-dog-eyeing strangers, and Houdini'ing her way out of her crate in the daytime while her 'rents are at work. 'Lilah has a gift for sniffing out beef jerky. Once, D sniffed ziplock-baggy-encased beef jerky inside the closed zipper pocket of a canvas messenger bag. Her Chuck Norris sniffer helped her locate it and she chewed through two layers of canvas and a ziplock to get to it. Mad Skillz.

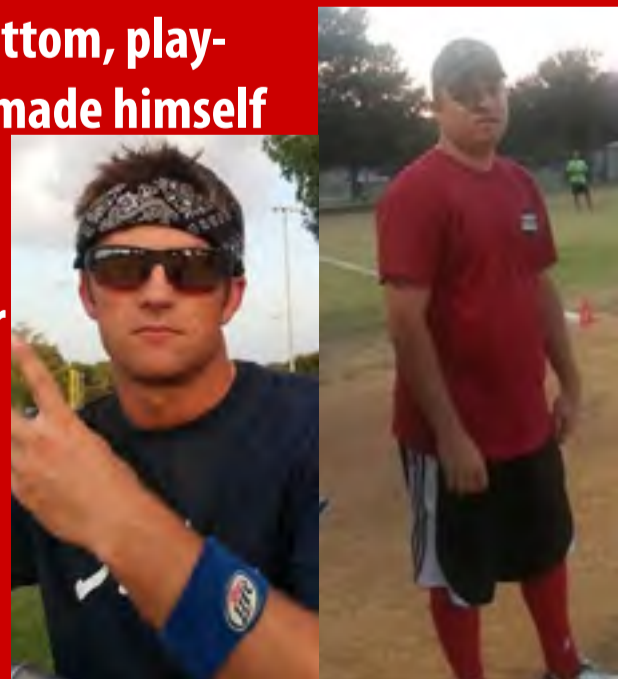

WEEK 8 MVP'S

Every week your Captains and Co-Captains choose one player from your team to be this week's MVP. This could be for an outstanding performance on the kickball fields, a phenomenal score on bar games, or because you nailed a Metallica song on the karaoke stage at RedRocks after the game.

BOJANGLES

Whether on the mound or as our leadoff kicker, Kevin Mayoux has consistently proven himself as one of the top players in TX Freedom as he has helped turn the Bojangles into perennial contenders. In his 3 seasons as a Bojangle he has mowed down opposing lineups and caused havoc on the base paths. To this day, we're are still grateful to James Garcia for helping bring him aboard our team.

Whether he is at the top of the line up or at the bottom, playing short field or in the infield, Adam Bachler has made himself a very valuable and versatile member of the Bojangles. A very smart player, that knows what to do and when to do it. We're very thankful another team passed on him, they're loss our huge gain! Great job to both Kevin and Adam! Yall are awesome friends and teammates! Go Jangles Go!

OG'S OF KICKBALL

NATE BACHUS

Nate is not only the Captain of the OG's, but every week he organizes this rag tag bunch of kickballers, makes the line up, and clutch plays. Last Wednesday he made some spot on throws to bring home an unlikely victory and Bar Games Championship to the OG's of Kickball.

PITCHES BE CRAZY

AMANDA SMITH

We decided to give Amanda Smith the MVP for Pitches Be Crazy as our MVS (most valuable substitute) for the entire season - she fielded flawlessly (several infield fly-outs at short stop) and offensively became an immediate catalyst for base runner movement every time she was @ the plate.
