86. Little Rabbit Foo-Foo

Little rabbit Foo-Foo,
Running through the forest,
Scooping up the field mice
And smacking them on the head

(Spoken)

Down came a Fairy godmother, who said:

Little rabbit Foo-Foo,
I don't want to see you
Scooping up the field mice
And smacking them on the head.

(Spoken)

*I'll give you three chances, and if you
don't behave I'll turn you into a Goo-oo-oon.*

Repeat twice more, with "Two chances"
and "One more chance"

Little rabbit Foo-Foo,
Running through the forest,
Scooping up the field mice
And smacking them on the head

(Spoken)

Down came a Fairy godmother, who said:

Little rabbit Foo-Foo,
I don't want to see you
Scooping up the field mice
And smacking them on the head.

(Spoken)

*"I gave you three chances and you still
didn't behave," and she turned him into
a Goo-oo-oon.*

*And the moral of this story is :
"Hare today, and Goon tomorrow."*

87. Soap and Towel

Soap, soap, soap and towel;
Towel and water please
Merrily, merrily, merrily, merrily,
Wash your dirty knees.

88. Princess Pat

The Princess Pat
Lived in a tree;
She sailed across
The seven seas;
She sailed across
The Channel too
And she took with her
A rick-a-bamboo.

Chorus *A rick-a-bamboo :
Now what is that?
It's something made
By the Princess Pat;
It's red and gold
And purple too,
That's why it's called
A rick-a-bamboo.*

Now the Captain Jack
Had a mighty fine crew
He sailed across
The Channel too
But his ship sank
And yours will too
If you don't take
A rick-a-bamboo. **(Chorus)**

I'm a teacup, I'm a teacup,

But I'd rather be a teacup than a mug.

be a headlouse than a nit.

Kookaburra sits on the old gum tree,
Merry merry king of the bush is he.
Laugh, kookaburra, laugh, kookaburra,
Gay your life must be.

Kookaburra sits on the old gum tree,
Eating all the gum drops he can see.
Hey kookaburra, hey, kookaburra,
Save some there for me.

Kookaburra sits on the electric wire,
Jumping up and down,
with his pants on fire.

Ouch, kookaburra, ouch! kookaburra,
Hot your tail must be!

11. I'm a Nut

I'm a little acorn round
Lying on the cold cold ground.
Somebody came and stepped on me,
That is why I'm cracked you see
*I'm a nut (clap clap),
in a nut (clap clap),
I'm a nut, nut, nut, nut, nut!*
Called myself on the telephone
Just to see if I was home.
Asked myself out for a date,
Gotta be ready by half past eight!
I'm a nut...

Took myself to the movie show
Sat myself in the very first row.
Wrapped my arms around my waist,
Got so fresh I slapped my face!
I'm a nut...

12. Worms

Nobody loves me, everybody hates me
I'm going to the garden to eat worms,
Long thin slimy ones,

Out of my window, looking in the night,
I can see the barges flickering light.
Silently flows the river to the sea,
and the barges too go silently.

*Barges I would like to go with you,
I would like to sail the ocean blue.
Barges have you treasures in your hold,
Do you fight with pirates brave & bold.*

Out of my window, looking in the night,
I can see the barges flickering light:
Starboard shines green and
port is glowing red,
I can see them flickering far ahead.

(Camp version!)

Out of my tent flap looking in the night, I
can see my leaders having a fight
Pillows and feathers flying everywhere, I
can see my leaders' underwear.

92. The Threefold Promise

Do you know your Girl Guide Promise
That you made that special day
Was to guide you on your journey
As the game of life you play?

There are those who treat it lightly,
Call it just another game
But for those who mean that Promise
Life will never be the same.

It's no easier when you're older,
For there's always something new -
If you think of what you promised
You will know what you should do!

You may tread the path of Guiding
With your Promise as the start
But those words will be remembered-
They are written on your heart!

33. I Listen

In the morning early
I go down to the sea,
And I see the mist on the shore,
I listen and I listen,
I listen and I listen.

When I go to the rocks
I go looking for shells,
And feel the sand beneath my feet,
I listen and I listen,
I listen and I listen.

And at night when I sleep
and the sea is calm,
The gentle waves lap on the shore,
I listen and I listen
I listen and I listen.

I sometimes think that
God is talking to me,
When I hear the sounds of the sea,
I listen and I listen
I listen and I listen

Have I done and have I dared
Everything to be prepared.

*Softly falls the rain today

Did I tie my tent flaps down
Learn to swim so I don't drown
Have I done and have I tried
Everything to keep me dry*

And then my poor meat ball

and I say "Aye"

a reason above,
My honour is to try and

No one needs to know my name.
If I hurt someone, then I'm to blame,
If I help someone,
then I've helped me,
And that's the way that it should be.

I've tucked away a song or two,
If you're feeling low,
there's one for you,
If you need a friend, then I will come,
There are many more
where I come from.

Come with me where
a fire burns bright,
We can see better in a candles light,
But we find more meaning
in a campfire's glow,
Than we'd ever find in a year or so.

We've made a promise
to always keep,
And to sing 'Day is done'
before we sleep,
We're Girl Guides together and
when we've gone,
We'll still be trying and singing
this song.
