Dear Ms. Kramer:

Your further correspondence concerning California judges has been considered in order to determine whether there is any basis for action by this commission.

It has been concluded that the contents of the letter do not provide grounds for proceeding further. No facts of judicial misconduct within the jurisdiction of this commission have been set forth. As previously advised, this commission cannot reverse or relitigate judicial decisions.

Your complaint regarding a separate judicial officer is under consideration. You will be contacted in writing once the commission reaches a decision in that matter.

Very truly yours,

Karen Clay
Staff Counsel
