

HEAD BACK TO VEGAS

Calm after a conservatorship storm,
Less turmoil and strife set for today,
Britney getting back to a usual norm,
Forging onward in life, we now pray.

Taking the bull directly by the horns,
The Yuletide season is now at hand,
With decorations Britney so adorns,
Christmas for the kids she planned.

Head back to Vegas, more shows,
'Piece of Me' now nearing the end,
Her residency renewal, she knows,
Retirement decision Brit to amend.

Song & dance is in her lifeblood,
Perform for fans, what she does,
The Britney Dancers, tears flood,
Best job they ever had, this was.

Still having hope, so just buck up,
Santa may bring you good news,
Pour some eggnog into your cup,
Chase away the last show blues.
