STOGNER SUPPORTS INCREASED REGULATIONS ON OIL AND GAS:

Sarah E. Stogner
@sarah_e_unicorn

Now I know why operators say they can make money at \$40 oil. They don't maintain their equipment. Let's MOGA (make oil great again) - fix the regulations, clean it up, and pass the cost along like every other industry. #OOTT #EFT #westtexas

How do they do it in Colorado? New Mexico? Other places have more stringent regulations and seem to do just fine.

SARAH STOGNER IS PRO-CHOICE:

Sarah E. Stogner @sarah_e_unicorn · Apr 7, 2021

Another man proud to draft legislation about a woman's body. Stay out of my **uterus** please. Let's give women access to birth control so less have to make these decisions.

Rep. Cole Hefner @ColeHefnerTX · Apr 6, 2021

Proud to be a co-author with Rep. @ShelbySlawson on the Texas Heartbeat Act being heard in committee tomorrow. #ProLife #txlege

Libs just wanting to continue living immoral lifestyles and not worry about the consequences. Typical.

SARAH STOGNER IS FOR GUN CONTROL:

Replying to @bankingslut

The problem is the NRA is taking absurd positions that don't represent the majority of gun owners. And the other side can't get past that insanity to get to a rational solution. From my POV.

It's everyone's fault. We need to seriously look at background checks and common sense controls. It's easier to get a gun than a drivers license.

CRITICAL RACE THEORY:

WTF? What is good about this? I don't even know what the term **race** essentialism means. But I sure as hell know we need to be teach kid the reality of slavery and discrimination that still persists.

Christopher F. Rufo  @realchrisrufo · Mar 30, 2021

BREAKING: Texas introduces legislation to ban critical race theory indoctrination in K-12 schools. The bill would prohibit public schools from promoting race essentialism, collective guilt, and neo-segregation.

Our movement has expanded to 10 states—and is destined for victory.

SEXUALIZED CONTENT IN SCHOOLS:

Oh no. Written materials on gender and queerness in our schools. Quick. Let's go censor it. HOW IS THIS REALITY!? [#txlege](#) [@BrooksLandgraf](#) please tell me this isn't actually a thing with my **Republican** Party.

Matt Schaefer @RepMattSchaefer · Jul 7, 2021

"Child abuse" is listed under family violence prevention in the special session call. Medically altering children in the name of "gender transition" meets that definition and we should act to prevent such abuse. Let's protect children in Texas. Time to act! [#txlege](#)

How many constituents have reached out to you and asked you to take a position on this? I don't know ANYONE who is actually worried parents are going to medically alter children in a detrimental way.

I'm not hearing anyone say that. What I hear is that it's hard to heal institutional mentalities. Marines will be marines. They were started to protect a nation. Police were formed to bring slaves back as property...

Maybe we should literally rethink everything. Get rid of cops. And have **election** primaries on Twitter. Kids have pods where they learn to read while planting in the community garden. Using less carbon to avoid shipping produce in from Mexico. I literally have all these ideas! 🌱
