

Become a Member of "The Werdefel Land" Team

The Werdefels Land is a Private, non commercial, Fictional Theme Park project, build with the PC game Roller Coaster Tycoon 3.

The Fictional Theme Park is located within the Werdefelser Land, the valley with the City of Garmisch-Partenkirchen, nestled in the Bavaria Alps in the South of Germany. Garmisch-Partenkirchen is famous for being the host City of the 1936 Olympic Winter games, the 2011 Fis Ski world Championship and the yearly New Years Ski Jump.

Garmisch-Partenkirchen lays at the foot of the Zugspitze, Germanys highest Peek at 2962 Meters.

To make the planed Opening in Summer of 2014 and to keep a high quality in the futur of the park, we have decided to extend our team.

We are offering open positions (smile) for the flowering jobs:

- Graphic and Logo design
- Custom Scenery Objects creation
- Custom Flat Rides creation
- Custom track rides creation
- Custom Tracks creation

What we can offer you:

- Because the Project is a Private non commercial project we cannot offer payment in any form
- You will be named (with your real Name or Nickname) as part of the Team
- You will be named (with your real Name or Nickname) in the comments of each Picture and Video that contains any of your work
- Their may be something like T-Shirts or CD's with the Theme Songs (that we have purchased the License for and can make copy's of). If there will be you will get a free copy mailed to your address
- Graphics and Logos should be for the Werdefels Land only, but CSO's, CFR's, CTR's and CT's that were made for the Werdefels Land, you would be free, and more than welcome to share it with the RCT3 community in your name.

What you should bring:

- It would be grade if you already have experience in the field you want to do creative work for the Werdenfels Land.
- It is really important for us, to work within legal borders, what you can see within, that we buy license for our songs for the Werdenfels Land. So it is important for us, that you only do creative work for the Werdenfels Land with Software that is Legal Free- or Shareware or you have a official License for.
- When you would do Graphics and Logos Work for the WFL it would be important that you only use content you have created yourself, or content that is free to use and not protected by copyright. If it is under a CC contract you should let us know how we have to name in the comments as creator.
- You should be fluid in English (writing and Speaking) if you are the same in German it would be a + point but it is not required

If you are interested that's what we would need on information from you:

- In What field you would like to help
- optional we would like to know how old you are and in which country you are living (give us this information only if you feel go with it, we totally understand if you don't want to give us this information's.
- Pleas let us know on witch way we could get in Contact with you (E-Mail / Skype)
- If you already have some experience in your Field, it would be great if you can send us pictures or links to your previous work.

If you are interested in becoming a member of our Team or have more questions. Pleas Contact us over a Massage on our Facebook Page:
